### **Tribute from Julie Niessen (Leguerrier)**

Relation: My Aunt

Auntie Cecile was a huge part of so many lives, She was mother hen to all 60ish nieces and nephews. She made outfits when we were born until we were coming faster than she could crochet and she could no longer keep up. ( I don't think I got anything, lol) She lovingly made the wedding dresses for a lot of the nieces and I remember her always baking cinnamon buns at the cabin. When

going to the cabin we wouldn't let Auntie do anything except bake the buns. lol A lot of my special memories growing up included Auntie Cecile. I loved her and will miss her so much. My condolences to the family.

**Tribute from Roger Albert**

Relation: Nephew

As Lucienne Albert's oldest son, I got a lot of attention in the family or 15 with 11 girls! Auntie Cecile often visited us on Alderson Avenue when we were growing up. I remember that she was sometimes almost bleary-eyed from working the night shift as a telephone operator yet she never complained of being tired. I couldn't believe how she could do it: work all night and still go out during the day. She used to tease us kids, but always in a light-hearted way. I never saw her angry or utter an unkind word to anyone. I remember very clearly one of the very last time Cecile came to visit mom at The Dufferin, the care home where mom lived, and how she was so emotional and hugged and kissed mom. Mom didn't know what was going on, having had dementia for years, but Cecile didn't care. She just heaped love on my mother and talked with the rest of us there for some time. I loved Cecile. Still do. Rest in peace, dear Auntie Cecile.

**Tribute from glenda diane mancinelli**

Relation: friend

Cecile was as warm and as friendly person as you could find. She always had a smile and was ready to talk to you. She cared for her family with all of her heart and if you were lucky enough she added you to her list of family. Over the years I watched as she faithfully went to all the kids games to cheer them on and came upstairs to play games with everyone at Mike and Shirleys home. She was forever sewing or crotcheing up a storm for lucky family members I will always remember her smiles and laughter ( especially after a bit of wine) and how she danced at Ken and Caroles wedding and sang in the back seat of the car as i drove her to the hotel au revoir mes ames au revoir, so good bye my dear , enjoy heaven. love to all your family steve and glenda
