**Tribute from Becky Stephenson**

Relation: Friend and teammate

Dear Conor's family:

I feel so lucky to have known Conor for the time I did. I will miss his infectious smile and genuine laugh, his undeniable loyalty, consistent honesty, and most of all that cheeky grin and quick wit on the mound. I truly feel blessed to have played on the Bunt Pirates with Conman, he held our team together, and was a true captain.

I strive to be more like Con, to portray positivity and embody confidence. He was one of the good ones.

I'm so very sorry for your loss, and thank for raising and influencing Conor to be the man he was, the man that had such an impact on my friends and I...I'm forever grateful.

Sending you love and strength during this hard time.

**Tribute from Rick Dolman**

Relation: I coached Connor in his years with LMHA.

To the Colton family, sorry I missed the service today.

Connor you were an awesome guy. I knew you as a young kid to teenager. I coached you for many years and I loved your attitude and desire to take on any challenge. No matter how big the other guy was. I'll remember you as a feisty go getter that would do anything to win. Your competitive nature made you a great guy to coach.

My condolences to the Colton family. Jeff and Helen my heart is sad for your lose. I can't image what you are going through. I will always remember Connor as the biggest hip checker from a true defence man.

Connor you were taken to soon. You will be truly missed among your family and friends.

Rick Dolman

**Tribute from Cronin Family**

Jeff, Helen, Chelsey and Brendan

Our thoughts and prayers are with you. Its been awhile since minor hockey days but Coner is remembered as an energetic, bright and eager boy. He was quick to smile and always put in a huge effort. Although its been awhile since we've crossed paths, its obvious by the massive turn out for Coner's service on Friday that Coner and the Colton family have made a significant impact on our community. We wish you peace and comfort.
