

**REMEMBERING**  
**Terrance Kenneth Evans (Terry)**

August 1, 1951 - November 12, 2022

It is with heavy hearts that we announce the passing of our loving and devoted husband, dad, grandpa, brother and uncle. Terry passed away peacefully with his family by his side at Laurel Hospice in Surrey after a lengthy and courageous battle with liver cancer.

Terry is survived by his wife of 49 years MaryRose, their daughter Jennifer, son Ryan (Heather) and grandsons Jacob and Benjamin. He loved and cherished his family and friends, always putting them in the forefront of all that he did. His decades of entrepreneurial experience made him a Man of Ideas who was eager to solve problems and support those he loved with enthusiasm and generosity.

Everyone who was blessed to know Terry knows he was quick with a laugh and a warm embrace. He was always ready for a great time, his smile and expressive eyes were always a tell as to how silly or sly he was feeling. Terry leaves us with a legacy of love that endures.

A loving heart stopped beating, hard working hands at rest. It broke our hearts to see him go, God only takes the best.

In lieu of flowers, the family would invite you to consider a donation to the Canadian Cancer Society in Terry's memory.
